

DECLARATION OF CONFORMITY

REACH: Confirmation of Compliance

We hereby confirm that the products whose reference given above comply with the REACH Regulation:

“REACH: Candidate List of SvHC (Candidate List of Substances of Very High Concern for Authorisation)

With our legal signature we confirm that the products whose reference are given below and their packaging comply with the REACH Regulation.

We indemnify and hold harmless the companies of Eldas from any and all third-party claims in this connection.

We also confirm that we observe the duty to communicate information down the supply chain.

(legal basis: REACH, Art. 33; Swiss Chemical Regulation [ChemV], Art. 83c)

This declaration is only valid for :

Following the requirement of Article 33 of Regulation (EC) n° 1907/2006 (REACH), in the attached list, you can find all such battery products containing candidate substances of very high concern at a concentration exceeding 0.1% (w/w) as informed by our related factories and their suppliers. Leclanché provides this information based on best available information.
